that americans take to sports with a spiritual fervor is no secret athletics has even been called a civil religion for how it permeates our daily lives as we chase our own dreams of glory or watch others compete few would deny our national devotion to sports however many would gloss over it as all of a piece to do that as william j baker shows us is to miss the fascinating variety of experiences at the intersection of sports and religion and the ramifications of such on a national citizenry defined as baker writes by the team they cheer on saturday and the church they attend on sunday with nods to modern and ancient history baker looks at the ever changing relationship

between faith and sports through vignettes about devout athletes coaches and journalists of gods and games offers an accessible entrée into some of the larger issues embedded in american culture s sports religion connection baker first considers two christian athletes who have engaged sports and religion on fundamentally different terms shelly pennefather one of the dominant women s basketball players of the late 1980s who left the sport for life as a cloistered nun and heisman trophy winner tim tebow who has used his college and pro football careers as a platform for evangelizing in discussing basketball coach dean smith university of north carolina and football coaches steve spurrier university of south carolina and bill mccartney university of colorado baker looks at how each strove to honor faith amid sometimes complicated personal lives and ever crushing professional demands finally baker looks at how faith inspired such sportswriters as grantland rice who sprinkled his stories with religious allusions and watson spoelstra who struck a deal with god at his daughter s deathbed she recovered and subsequently devoted his off hours and retirement years to charity work

for a half century from edward eggleson s pioneering novel the hoosier schoolmaster in 1871 through the dazzling early work of hart crane f scott fitzgerald and ernest hemingway in the 1920s midwestern literature was at the center of american writing in the midwestern ascendancy in american writing ronald weber illuminates the sense of lost promise that gives rise to the elegiac note struck in many midwestern works he also addresses the deeply divided feelings about the region revealed in the contrary desires to abandon and to celebrate the period of midwestern cultural ascendancy was a time of tremendous social and technological change midwestern writing was a reflection of these societal changes it was american literature

the kings of dance novel is an education of dance and how music evolved along with it as far back as i can remember which would be 1972 rock the dance was born right before my eyes the first time author luis de jesus exclaims an education on how rock was born and how from the bronx dance roots the next level of dancing evolved the purest form of dance rock the basics the fundamentals a lot of people do not have knowledge and are blind to the real facts let this be your schooling this story is a time portal that takes you back to the different glamorous disco s music and styles of clothes this book is so that the truth can be exposed luis was there he is the proof in the pudding all of the people mentioned in this book deserve their title this is based on a true story it took place in the bronx

an exciting and refreshing new look at ancient afrikan spirituality by young vodunsi west afrikan vodun initiate awotunde zannu faseyin agbosi this book is unique in it takes its reader through a pscho spiritual initiatic process whereas one is taken from the psychological and historical circumstances of afrikans and their place in world religious history right into the esoteric and very valuable practical concepts of vodun ifa the author rightly notes that no respected people are a people who worship the gods of others iwakeri is concerned with guiding the afrikan soul on its journey from eurocentric religious thought in an attempt to provide a smoother transition into being whole to be afrikan finally iwakeri is a much needed answer to the question of how do we approach the esoteric from an afrikan yet practical way the preview below is the introduction to iwakeri the quest for afrikan spirituality

adversity often comes without warning bad news is shocking betrayal is heartbreaking it s natural for a church leader to feel defensive and want to fight back but fear and anger make for poor strategies when it comes to resolving conflict and thriving afterward is it possible to rise above the storm and even thrive despite it ordained minister and leadership consultant alfred ells says yes it is through stories of leaders who have suffered the traumas of betrayal conflict and failure he provides insights wisdom and instruction on how to leverage adversity to become a resilient leader skilled at repairing any breach

this book examines several aspects of genealogy as it relates to both natural and spiritual relationships it looks at jesus s two genealogies recorded in the gospels of matthew and luke delineating respectively his royal and priestly lineages it also examines the vital importance that genealogies played in the israelite nation and religion within these lineages provided the necessary resources to confirm or deny one s ability to serve as a levite or descendant of aaron it differentiates between vain and valid genealogies and their impact upon people s understanding of their own family histories approximately two hundred sources were reviewed and excerpted as supporting elements they are conspicuously noted perhaps slowing down the flow of the study s narrative however the nature of the call for this work was to restore silent voices those that though long gone are members of the great cloud of witnesses through their lifetimes ministries and character witness this study will acquaint readers with substantial resources to fuel their personal and family genealogical and spiritual journey

english teachers knol and karsten have composed these moving reflections inspired by a wide range of writers many of whom they have brought into their classrooms

and while some of their selections will no doubt be familiar to the reader each of these meditations will kindle new insights attuned to the power of the written word these seasoned teachers contemplate sacred themes exploring passages from books that they love in light of passages from scripture

arranger index c1987 provides an additional means of access by the name of the arranger or editor 1988 supplement contains the sacred choral entries included in the 1986 music in print annual supplement as well as new music published since 1985 1992 supplement contains listings of music published since 1987 as well as earlier material of publishers not previously in the series 1996 supplement contains listings of music published since 1991 as well as earlier material not previously in the series
