the story of a large yet little known protestant denomination

seventh day adventism is inextricably linked with the life and ministry of ellen g white this study examines her role in the church both in her lifetime and since her death in 1915 through her voluminous writings the passage of time and the general ecumenical climate of today make possible a more dispassionate study of white s work and insights which hold value for the whole christian church especially in the eschatological emphasis which lies at the center of her work

in the heart of nigeria s religious landscape where pentecostal fervor and charismatic

worship reshape everyday expressions of faith the seventh day adventist church stands at a crossroads contesting heritage is a compelling exploration of how a mission initiated denomination grapples with cultural relevance liturgical innovation and theological continuity in a society undergoing deep religious transformation focusing on the adventist community in ilishan remo this book investigates the dynamic responses of nigerian adventists to the pentecostalization of worship across the country drawing on rich ethnographic fieldwork and historical analysis this study reveals that adventist heritage in nigeria is not static but contested negotiated and continually reinvented it traces how worship practices such as prayer singing and church leadership evolve through processes of resistance accommodation and hybridization resulting in a distinctly nigerian expression of global adventism contesting heritage offers a rare intra denominational lens into the complexities of religious identity in postcolonial africa it challenges assumptions of sectarian withdrawal and illuminates how adventists actively participate in and influence the wider nigerian religious marketplace

the title reflects the grave responsibility of every chosen leader both ministerial and lay to uphold the faith that was once delivered to the saints

the family magazine of the reorganized church of jesus christ of latter day saints

dynamic truth is a reprint of the author s groundbreaking dissertation on change in seventh day adventist theology submitted in 1995 and initially published in 1999 part i and 2000 part ii it is the first and only in depth study to date dealing with the issue of doctrinal development from an adventist perspective part i analyzes the intricate problem of doctrinal development and presents a historical survey of theories of doctrinal change classifying them in three ideal types in the author s view a dialectic approach concerned about substantial continuity as well as authentic change can best avoid the pitfalls of dogmatic immobilism and revisionism part ii provides a detailed study of the problem of doctrinal change in a seventh day adventist setting it analyzes the extent nature and direction of doctrinal developments in the light of the religious background of the church and the social forces at work in it it also discusses the church s response to doctrinal adjustments and ellen g white s involvement in and conception of doctrinal change the study concludes that adventist teachings have been significantly affected by theological and hermeneutical developments under the impact of social forces nudging the church closer towards evangelical protestantism ellen white co founder of the church was personally involved in theological change her concept of doctrinal development shows a remarkable depth of insight and presents a well balanced approach to the dynamics of faith and truth
